Who Can Play?

Any senior players 60 and older can come out and play in these events. You do not need to be a Member of Greensboro National to participate. However, you must join the Greensboro National Senior Men's Association which is a \$50 fee for the calendar year. These events will be a blast and are very player friendly. Scoring results will be done in The Grill immediately after play. **All Association members are encouraged to bring a friend(s) to play in our opening day event or any other time if they are interested in joining our Association. Their rate will be \$32 until they join unless we have a special event such as Member - Guest.**

How Do I Sign Up?

Call the golf shop at 336-342-1113 x1. Golfers need to sign up no later than 5 pm the Tuesday before the event. **Check in will take place in the grill prior to play.**

How Teams are Made?

Depending on the Format most teams are made as ABCD based on your handicaps. In the event of a last minute no show from a player we will plug in a blind draw, so we do not have to rearrange the pairings.
