Who Can Play?

Anyone can come out and play in these events. You do not need to be a Member of Greensboro National to participate. However, you must join the Greensboro National Men's Association which is a \$100 fee for the calendar year of 2020. These events will be a blast and are very player friendly. Scoring results will be done in The Grill immediately after play. **All Association members are encouraged to bring a friend(s) to play in our opening day event or any other time if they are interested in joining our Association.**
